## PARADIGM

Accelerated Curriculum  
[www.pacworks.com](http://www.pacworks.com)  
 Course kits, \$78.75/full  
 course kit with 4 chapters

Every PAC course, except American History, consists of five or six texts, companion activity books that lead students chronologically through the content, a section quiz and chapter tests. The Teacher's Resource Kit includes answer keys. Each text and activity book covers one chapter with three sections, and each section contains five lessons. Teachers and students know exactly what is expected daily, weekly, monthly and annually in order to complete courses for transcript credit. English Answer Keys include rubrics to help students and teachers grade writing assignments.

## 3M

Digital Media Systems 800 Series  
[www.3m.com/meetings](http://www.3m.com/meetings)  
 Hardware, \$4,295

This wall-mounted system projects images onto a blank wall, screen or interactive whiteboard. Its speaker system offers 40 watts of stereo TruSurround XT technology. Features include picture-in-picture, blank, reveal, freeze, magnify on remote control, and mouse emulation. There are also *custom image* settings with auto save and a nine-language menu. The interactive System 815 version is priced at \$4,995 and includes whiteboard software features, unlimited software use across multiple computers, non-obtrusive annotation tools and the ability to draw or highlight on computer images.

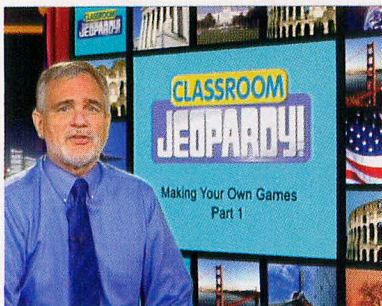

## ATTASK

@task Project Management 4.0  
[www.attask.com](http://www.attask.com)  
 Software, \$39.95 per user/month; \$395 per user/year

The latest version of this on-demand software is browser, platform and database independent. It allows school administrators and educators to *define initiatives* and projects, automate processes, and distribute real-time data through a secure and user-friendly online environment. Features include the ability to set task dependencies, schedule meetings and events, and track all the information in the work packages. Other useful focus on expenses, organizational objectives, groups, categories and help desk for bug tracking and reporting. The software can be fully customized.

## EDUCATIONAL INSIGHTS

Classroom Jeopardy! DVD  
[www.classroomjeopardy.com](http://www.classroomjeopardy.com), DVD, \$20

This DVD is divided into five areas. Creating Your Own Games demonstrates how to use the software and the creative process of setting up the game, including how to write clues for better understanding. Setting Up the Game explains how to plug in different components and define the type of setup and number of assessment scoreboards. Using the Host Remote walks educators through the nuances of available tools, and Playing the Game offers tips for preparing students. Content cartridges and motivation items such as medallions and ribbons are also available.
